Case Study Customer Complaint lost access to my Google Photos and Drive after my account was disabled due to Suspicious activity. I was n't given a Clear reason or a way to recover my data, and Support was unhelpful" Suggested Better Handling: · Transparent Communication: Google Should provide a detailed reason for account Suspension, including suspicious activity logs or flagged behavior. 15 Recovery Option Offer a temporary recovery window where users can download their data before permanent deletion. Human Support Access: Make it & easier for users to contact a real support respresentative, especially Critical data loss issues. Improved Notifications: Send Multiple alerts or warnings before disabling the account, allowing the user to respond or secure the account Rathna Exam Paper
